The Secret of Health and the Law of Attraction

Have you ever wondered why "The Secret" hasn't worked for you? Why despite your best conscious efforts, you continue to attract less than vibrant health, happiness and success?

The secret behind the secret is that our subconscious beliefs can interfere with our conscious manifestation.

Come discover how Subconscious Emotional Memory Override (SEMO) may be sabotaging your best efforts to attract the life you desire and how the Bio Energetic Synchronization Technique (BEST) can identify and remove this interference, thereby raising your energetic vibration!

When: July 14, 2009

Where: Wild Mountain Yoga Center
574 Searls Ave., Studio B, Nevada City

Time: 7:30 PM to 8:30 PM

Call 530.271.5921 for more information.

Please RSVP, it's OK to drop in too. Please be on time.

*"Our bodies function by design, not desire.
No matter how much we desire to be well,
until we learn how to cooperate with the design,
we will suffer."*
